

Weekly 'Hands On' Activities

Tuesday Community Growing

A varied mix of horticulture activities from 10am–3pm. Local and international volunteers share a tea-break at 11am and a vegetarian, cooked lunch from 1–2pm. We enjoy a social, cultural exchange.

Wednesday Chicken Volunteers

Egg collecting, feeding, watering, and mucking out from 2–5pm.

Thursday Picking & Packing Volunteers

This is our busiest day of the week; harvest day! Lots of hands make light work to pick, weigh, portion, and pack the veg boxes as a team while others prepare a tasty lunch. 10am–3pm

Friday Volunteer Delivery Drivers

We have a couple of highly dedicated volunteers who deliver our veg boxes across Penwith on Fridays and we would welcome two more to cover occasional holidays, must be aged 25+.

Sunday Tree Volunteers

Meet our volunteer-led group of practical climate activists and quiet conservationists from 1:50pm in the farmyard weekly to help plant, mulch and propagate trees. We have planted hundreds of trees here every winter and they need continued care.

Farm Shop Volunteers

Our shop is open 10am–5pm Monday–Friday, Saturday 1pm–4pm, run by a rota of volunteers, selling local and organic goods both from our farm and from other ethical suppliers. Full training is given and it's a nice sociable indoor role. Get in touch if you have a morning or afternoon to spare.

Cookery Volunteers & Trainees*

We welcome people who can cook, bake, pour tea to join us for social refreshments and help to make our local and international volunteers welcome, as well as helping on special event days.

Find out more

No previous experience is needed for most roles but we welcome people with clerical skills too! Please complete our short volunteering form via

the website or call for an informal chat: 07946 746396
